A next-level driving experience.

Nissan Intelligent Mobility goes beyond the standards with a suite of innovative tech to give you a more confident drive. Its intelligent features help you maneuver with greater safety.

Intelligent Around View Monitor*

Using four cameras, the Intelligent Around View Monitor gives you a virtual 360° view of your surroundings that can help you park in even the tightest spaces. It also provides visual and audible alerts when an object is detected moving nearby.

Rear Cross Traffic Alert**

Fear no parking space when you're backing out of a tight spot, you've got a partner that watches your Almera's rear. This feature detects incoming cars from either side and alerts you with visual and audible warnings.

Innovation that looks out for you.

Imagine being surrounded by confidence on your every drive. The Almera's intelligent features monitor everything that's around you and can step in and take action to help keep you out of trouble.

Intelligent Forward Collision Warning*

The Almera is on the lookout to keep you safe. It provides audible and visual alerts when sudden deceleration happens in front of your vehicle. It also warns you when to slow down.

Intelligent Emergency Braking*

In the case of a possible collision, the Intelligent Emergency Braking kicks in to reduce speed and avoid a frontal collision with a vehicle ahead.

Tech that keeps you one step ahead.

Whether there's a fast moving vehicle on your blind spot, or one tailgating you on an inclined road, Nissan Intelligent Mobility has got you covered. You're only human – it's nice to have security on-demand when unexpected things happen.

Blind Spot Warning*

Keeping an eye out for you, the Blind Spot Warning gives you audible and visual alerts on your mirrors and display if a vehicle is detected on your blind spot area.

Hill Start Assist

Assisting you in your drive, the Hill Start Assist keeps you from rolling backwards on inclined roads by automatically holding the brakes as you switch from brake pedal to accelerator.
