A SMARTER 2ND ROW. Thanks to the X-TRAIL's flexible seating system, this 2nd row is truly first class. The 60/40 split seat slides forward for easy access and adjusts to give you more cargo space, more legroom, and everything or anything in between. You can also recline the seats, when it's time to just relax.

OPTIONAL 3RD ROW. The X-TRAIL's folding 3rd-row 50/50 split seat gives you additional versatility. Perfect for accommodating extra passengers and their gear, it also folds down completely to make a flat cargo floor for maximum storage capacity.

REAR 77° WIDE OPENING DOORS. The X-TRAIL's rear doors swing out to nearly 80°, giving you easy access to the kids, the cool-box, the snowboards... making life so much easier.
