

STRETCHED IN SIZE

Sit back in the Nissan Sunny and once you've finished admiring the interiors, try crossing your legs. The Sunny surprises you again with its best-in-class cabin space. With legroom that is extraordinarily spacious, and seating that's just the right blend of luxurious texture and firm support, the Sunny is designed to take the ordinary out of everyday driving.

One look at its boot space and you know why the Nissan Sunny is more than just a car. The Nissan Sunny features a wide-open, surprisingly roomy trunk with a generous storage capacity of 490 litres for those extra shopping and travel bags.
